Who are we?

St. Philomena Academy Youth Camp (SPAYC) is a 3-Day / 2-Night Weekend Retreat designed to provide an enriching spiritual experience for middle and high school students. This Catholic ministry, initiated by Father Nicholas Akindede, aims to reach students within the Davenport Diocese and surrounding communities. The camp is open to all students from 6th to 12th grade in the Quad-City Area (Iowa & Illinois) who wish to deepen their relationship with God and understand His love for them.

What can campers expect during the weekend? What will they learn?

- Campers will be introduced to St. Philomena, a 13-year-old Virgin Martyr from the 3rd century, affectionately known as “the Wonder-Worker.” Her life and intercessions have inspired countless healings and miracles, earning her veneration from notable saints and popes such as Pope St. Pius X, St. Frances Xavier Cabrini, St. John Vianney, and St. Pio of Pietrelcina. Her story serves as a beacon of faith and courage for our campers.
- The camp's activities are thoughtfully designed around the year's theme, offering enriching discussions on vocation discernment and an age-appropriate introduction to Saint Pope John Paul II's Theology of the Body. These sessions aim to deepen campers' understanding of their faith and help them explore their spiritual vocations.
- Campers will have the opportunity to immerse themselves in traditional forms of Catholic prayer and worship. They will participate in daily Holy Mass, pray the rosary, and spend reflective moments in Holy Adoration. These Christ-centered activities foster a profound spiritual connection and enrich their faith journey.
- The camp provides a nurturing environment for creating lasting memories and friendships. Campers will engage in team-building games, arts & crafts, music, and enjoy s'mores around the campfire. A highlight from last year, the ping pong tournament, promises to be a favorite once more, encouraging camaraderie and fun.
- We pray that each camper will leave the weekend equipped with the knowledge and tools to navigate our often confusing and negative culture with a Biblical worldview. It is our hope that they will return home with a renewed understanding that life is a precious gift from God and that they are truly worthy of His love.

Is a “Day Camper” option available this year?

St. Philomena Academy Youth Camp is designed as an immersive overnight retreat, offering young participants a chance to connect with others and form meaningful relationships within the larger Catholic community. Much like C.E.W. or Cursillo experiences for adults, this camp provides a supportive environment where campers can explore their spirituality, grow in independence, and develop resilience.

If you are unsure whether you or your child is ready for an overnight camp, consider the following ways to alleviate concerns: (continued on next page)

ST. PHILOMENA ACADEMY YOUTH CAMP 2025 FAQS

1. Visit the Camp Prior to the Session Starting
Attend Mass at Holy Family or request a tour of the accommodations. This can help familiarize you and your child with the environment and staff, making the transition smoother.
2. Sign Up with a Friend, Sibling, or Cousin
Mention them on your registration form. Having a familiar face at camp can help the first time go more smoothly, providing comfort and companionship.
3. Volunteer to Be an Overnight Chaperone
If you have the availability, consider volunteering as a chaperone. This not only supports the camp but also allows you to be present and involved in your child's experience.
4. Consider the Day Camper Option
All things considered, we understand that there may be extenuating circumstances (e.g., social, emotional, or medical reasons) that may prevent certain campers from staying overnight. Therefore, we have included a Day Camper option, in which campers will arrive and depart at designated times each day. Once they are checked in, Day Campers will be expected to follow the same rules as the Overnight Campers. This option provides the same enriching experience without the overnight stay, ensuring your child can still participate fully in the camp activities.

Please counsel your children/teens that if they need to contact home, they should speak with Camp Staff. Parents will be contacted if any problems arise or if their child is experiencing a challenge in adjusting.

How do I contact my camper at camp?

For the peace of mind of all parents and guardians, the Leadership Team at the St. Philomena Academy Youth Camp will have a dedicated cell phone available for incoming and outgoing calls 24/7 throughout the weekend. This dedicated line is primarily intended for emergencies. However, we understand that you might want reassurance about your camper's well-being.

Emergency Contact Information

- You will receive the Dedicated Emergency Phone Number during the check-in process. We encourage you to program it into your phone right away for quick access.
- Please ensure that the Primary Cell Phone Number you provide on your registration form is the one you wish us to contact first in case of an emergency or urgent situation.

We are committed to providing a safe and secure environment for all campers. Our team is trained to handle emergencies with the utmost care and urgency, ensuring that your child's safety is our top priority.

What if my child gets sick?
